DESCRIPTION

Build the house or villa of your dreams on a carefully reconstructed historic estate that combines heritage architecture with modern infrastructure.

Located 15 km from the beach and 12 km from the city of Mérida, Yucatán, in a strategic growth area of Yucatán, Hacienda Kikteil becomes the perfect opportunity for those looking to invest with vision, security and added value; in a differentiated project, with character, essence and the historical charm that only the region offers. Imagine living or investing in a space that combines tradition, elegance and contemporary design... surrounded by greenery, tranquility and an environment designed to enjoy every day with well-being.
