DESCRIPTION

Sereniti is an exclusive vertical residential development located within Tamara Sereniti, one of the most prestigious and established communities north of Mérida, is designed for those seeking to invest wisely or live comfortably. It combines privacy, nature, and a holistic lifestyle in a unique setting.

Development description

The project consists of 113 apartments distributed across 2 towers, with 6 different models that adapt to different lifestyles and needs.

Located within a fully walled private community, Sereniti offers:

Furthermore, it is located only 15 minutes from the Yucatan coast and close to key locations such as universities, hospitals, shopping centers and the Yucatan Country Club.

Services and environment

On the cusp of development lies Central Courtyard a "Neighborhood Center" type concept that integrates:
